

Disciple Now 2018

Parent Info

Who: 6th—12th grade students, CCC Student Ministry Staff, and lots of wonderful volunteers!

**Note: We are always in need of driver help and food for several homes! Please text DNOWSERVE to 77978 or email anna.miller@cottonwoodcreek.org for more information or to volunteer.*

Where: While at DNOW, your student will be staying with ONE host family. When you bring your student to Cottonwood Creek for registration, we will have small cards with the address and contact information of this host home family available for you to pick up.

When: Please have your students at the church between 5:30p and 6:30p on Friday for Check-in! *If your student will be arriving late, we need you to let us know ahead of time so their leaders can have an idea of when to expect them.*

What: D-Now is an annual retreat where all of our students will have the opportunity to spend a weekend together in worship, entertainment, games, and community. Our hope for this weekend is that students' lives will be transformed by the gospel of Jesus Christ and that they will gain an eternal perspective knowing that their true home is with the Lord. We want students who have a bad earthly home to find hope, but we also want students who have a good earthly home to yearn for something greater.

We are excited to have your students joining us!
