Life Group Online- Leader Opportunity

With the recent increase in the number of people engaging our Worship Service online, we have a tremendous opportunity (and desire) to help every person get connected in biblical community. To accomplish this goal, we are looking for teachers, hosts or discussion leaders to serve new small groups that will meet throughout the week online. Some online groups will be discussion groups that will not require much preparation, and others will have more of a teaching emphasis. The requirements are friendliness and access to a computer/tablet/phone so you can lead/participate in a weekly Zoom session. Contact Justin Hillhouse at justin.hillhouse@cottonwoodcreek.org for more information.

STUDENT MINISTRY

Huddle Groups

CSM's goal for 2020-2021 is to have every student in a Huddle Group. Huddle Groups are the NEW name for Wednesday Night Groups. A huddle gives the image of friends coming together, encouraging one another, correcting one another, and making an action plan. Groups can be online or in person, any day and time, will select their own curriculum and can be any grade or school. Will you partner with us in helping every student start or join a huddle group? If so, please contact Chase Durham at chase.durham@cottonwoodcreek.org.
