FAQ'S

OUR MISSION

Reaching Northwest Arkansas, America, and the World for Jesus Christ.

PRAYER

This year, we pray that students' lives will be changed for the advancement of the Kingdom of Christ. We pray that the Lord calls students to the steps of obedience in their next step, whether proclaiming the gospel to their friends at school or accepting a call to ministry or missions. The student team is so expectant for the Lord to move in students' lives, and we ask that you join us in prayer as the days get closer for life change to occur!

WELCOME

ABOUT THE CAMP

Camp Wow is an opportunity for 7th- 12th-grade students across all three campuses to grow closer to Jesus and with one another while creating memories that will last a lifetime! The week will give students a deeper understanding of God and His word. Each day will comprise worship, captivating sermons, activities, and games for your student to grow in fellowship with the Lord and other students. We cannot wait for your student to experience one of the best weeks of their life with us!

THANK YOU

We are so grateful that you chose to bring your student to camp this year! Thank you for allowing your student to spend a week with Cross Church to experience Jesus with the local church. We cannot wait to see the Lord move in your student's life in hopes of advancing the kingdom!
