RESPONSIBILITY RELEASE

I understand that the International Mission Board of the Southern Baptist Convention, the North American Mission Board, the Alabama Baptist State Board of Missions, and the North Jefferson Baptist Association require that medical and disability insurance coverage effective overseas as well as in the United States be in force the entire period of my volunteer service and that payment must be made to the appropriate entity prior to the endeavor. I wish to make clear my understanding that many geographical areas of ministry are in primitive and undeveloped countries which have inferior infrastructure, medical, sanitation, transportation and security facilities and systems and that the area in which I serve may have been subject to previous government travel warnings, public announcements or other issuances of information concerning the stability of the area or that such warnings, announcements or information may be promulgated while I am en route or present in the area in which I will serve. I also understand that there may be additional security risks for Americans or Christians in some area of ministry. If I have paid for all or a portion of the cost of a ministry trip, I understand that, if I choose not to make the trip, or if the organizers of the trip determine that, for security or other reasons, the trip should be canceled, I may not be entitled to reimbursement for all or a portion of the cost of the trip. I will make investigation, as I deem necessary, into any risks or concerns, including security, related to the area of Ministry in which I serve. I wish to further make clear my understanding that the International Mission Board, the North American Mission Board, both the Southern Baptist Convention and the Women's Missionary Union, an auxiliary of the Southern Baptist Convention, the North Jefferson Baptist Association or any other local association in which I serve, and my church do not assume any responsibility for loss of property, damage to the same, personal harm or illness that may occur; and I, myself, my heirs, executors, administrators, distributees and assigns, in consideration of my admission to volunteer service and other good and valuable considerations, do hereby absolve said International Mission Board, the North American Mission Board, Women's Missionary Union, Alabama Baptist State Board of Missions of the Alabama Baptist Convention, the North Jefferson Baptist Association, other Associations, and churches and hold them harmless for any claim or demand which I or they might conceivably assert upon the basis of the foregoing.
