The Conversation Guide is a great tool for individuals, families, discipleship groups and Missional Communities to take a deeper, more personal dive into the content of the current sermon series. The Conversation Guide will be posted by every Friday on the 'live' page of our website and in our weekly newsletter. We encourage you to use it this week on your own, around your dinner tables, over coffee with your friends or in your faith groups!

The Conversation Guide is built on the SOAP model, which is a tool you can use when reading the Bible. SOAP helps you be intentional about paying attention to:

Scripture that stands out to you while you read

Observations about the verse or phrases that stood out to you

Application that connect the verses to your real life and relationships

Prayers that invites God to participate in your life and provide power to follow him
