The proposed direction was affirmed. The sub-team will next draft formal language and bring it to the elders for review and discussion.

How you can pray us:

- In thankfulness to God for his continued and faithful provisions to FCC and his work in drawing many more in joining with us.
- For God's guidance and wisdom as we contemplate how to best develop a discipleship initiative to meet the needs of FCC.
- For God's guidance and wisdom as we continue efforts to shepherd those who call FCC home, in part, via a pilot diaconate. We earnestly desire to do this well while being a church of our size.
- For the unity of our body as we experience a number of changes that our present growth and our recently commenced building project is bringing about. Pray for safety for the workers involved in the building project and for our staff and volunteers as they work diligently to faithfully serve the increasing number of people who are calling FCC home during this season of disrupted spaces.
- For God's wisdom and guidance as FCC contemplates what church planting via a campus planting model means in practice.
- For our next generation ministry and our newly hired ministry director as he begins his student ministry effort here. Pray that the previous house in North Carolina would sell soon.
- For God's wisdom, guidance, and unity for the elder board as we continue to contemplate and discern many matters of importance, including our continued discussions concerning roles, responsibilities, and authority within the local church and specifically how it applies to our context at FCC.
- For peace and unity.

In Love and Peace,

Gregg Bennett – Chairman of the Elders on behalf of your Elder Board:
