FAMILY WORSHIP SUNDAY

Hey parents, here are some tips to engage kids in worship!

Prepare ahead of time:

Discuss expectations before service and keep them simple

- Restroom before or after worship
- We all stand when everyone is standing
- We all stop what we are doing when someone is praying
- There will be others around us listening
- Sit in a place where kids can easily see what's happening. This can help them feel more involved and less restless.

Engage them in service:

- Participate in children's time
- Lead by example
- Show enthusiasm in your own worship to set a positive example for your kids.

Encourage questions & praise positive behavior!
