JOIN US FOR A NEW SERMON SERIES: "UNLEASHED"

BEGINNING SUNDAY, APRIL 12 | 9:30 & 11 AM | BOTH CAMPUSES

Throughout 2026, we've spent time focusing on what Christians ought to know, building a strong foundation for our faith. But faith was never meant to stay in our heads; it's meant to be lived out in our everyday lives.

We'd love for you to join us as we begin a new series focused on what Christians ought to do. Together, we'll explore simple, practical rhythms that help us put our faith into action right where we are. These aren't practices for experts or "super spiritual" people they're everyday steps anyone can take to grow closer to God.

Each week, you'll not only hear teaching on these rhythms, but you'll also receive helpful tools and resources to practice them throughout your week.

No matter where you are in your journey, you're invited. Come grow with us as we learn to live out our faith in real and meaningful ways together!
