We allocate donations for client care, training church leaders and congregations. In doing so, we run lean on administrative overhead costs. However, as COVID has made our services more needed and more in demand, we would like to ask for your help to care for our counselors and our staff. If you are able, please consider giving toward one or more of these items—or help cover the cost of part of an item (like sponsoring one computer at \$1,000). And as always, your prayers for us are priceless and coveted too!
