“Moses: The Great Deliverer of God’s People”

DESCRIPTION: Moses is often remembered as a great lawgiver, prophet, friend of God, and deliverer of his people. His life spans four books of the Old Testament and the author of Hebrews notes his godly achievements. There is much we can learn from his life, including his faithfulness, prayerfulness, meekness and leadership, as well as from his sin and failures. Certainly, we should not forget God’s demonstration of power and the promise of a much greater deliverer. Come prepared to learn and discuss with others in the class.
