## WEEK 2

## The Miracles of Jesus

Whether it's a rocket car powered by soda and mints or a tornado in a water bottle, there's so much in our world that can fill us with awe. The world of STEM is full of things that look like little miracles, but they're nothing compared to the miracles God can perform. In this four-week series, kids will take a look at some of the miracles that Jesus performed during his ministry. Through stories showing the power of Jesus, they'll no doubt go, Wow! Jesus has the power to heal, to calm our fears, to provide, and to save.

## WEEK 3

Wow! Jesus has the power to *provide*.

## WEEK 4

Wow! Jesus has the power to *save*.

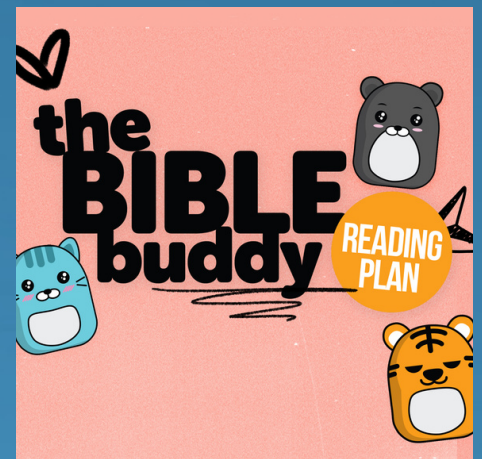

## Important Dates

**KIDSPACE LOVE OFFERING!** From now until our event, we will be saving our offerings to bless the Children's Home of Lubbock. On Feb. 14 we will meet in our classrooms to wrap gifts, fill candy bags, write Valentine's Day Cards, and have fun sharing with other children the love that Jesus has for us and them!

February 24 & 25 – March 2 & 3

This week, we are challenging kids to explore the Bible together with you and their new buddies! Each day, we will challenge kids to read a short passage from the Bible out loud and then write, draw, or reflect on what they felt, learned, or were challenged by while reading.
